HOLY INFANCY SCHOOL

ACHIEVING A HIGHER PURPOSE

Holy Infancy School, located in Bethlehem, has been serving the community since 1894. At Holy Infancy Catholic School, **each child is considered a member of the Holy Infancy family** and their education is based on Jesus's Gospel Values. Children attending Holy Infancy School strive to achieve God's plan for them and are **respected for any religious and cultural differences** that they may have.

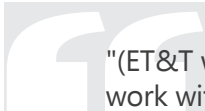

DEVOTED TO EXCELLENCE

ET&T played a critical role in Holy Infancy School's transition to their new location on Thomas Street in Bethlehem. This process involved moving their phone system and then networking all electronics to support this move. An expedited transition was carefully managed by ET&T to ensure the school could continue to operate and **provide the highest quality of support** to the Holy Infancy School family. Additionally, ET&T has upgraded and implemented new computers, cabling and cameras for them.

Committed to offering a **one stop resource experience** to our clients, ET&T is the premier provider of integrated voice and data network technology in Pennsylvania. **We are proud of our more than half-century of history.**

Discover how ET&T can help with your voice, cyber, surveillance, security, and communication needs.
